NOTES & INSTRUCTIONS TO RIDERS & SPECTATORS:

Signing on will take place in the Tavern NO CLEATS to be worn inside.

Please have your gears checked before you sign on.

We shall be using transponder timing for the Youth Races. A transponder and suitable tie will be issued to you for a **£20 RETURNABLE DEPOSIT**. If you ride Reading Track League and have your own transponder, we expect you to be using it, so your data goes directly to your web page. (there will be no spare transponders available on the day). The transponder needs to be fixed low on your front fork – please ask at sign on if you have any problems. You will be placed last if you do not have a transponder on your bike. Please make sure you have your transponder on during any warm up, so we can verify it is working correctly.

Two numbers are to be worn for all Youth races, one on the centre back ,low down and one facing to the side on the left – see photo. We cannot place you if we cannot see your number. Please make sure that long hair does not obstruct the numbers. Numbers must not be folded.
