Please wait in the area in front of the track room orderly, with a pathway through for the public and room to allow the preceding event to leave the track.

Only event Officials and competitors will be allowed into the Cycle Track area, NO OTHER PERSONS will be allowed past the gate.

Field sizes have been reduced under the new style Risk Assessment and this will be adhered to, as exceeding the field sizes will invalidate BC event insurance.

Race Procedure: Dropped / Lapped riders will now be withdrawn and laps out will be at the discretion Event organiser and Officials.

The event organisers reserve the right to amend/alter the evening procedure as they see fit. Please note that all equipment and personnel items are the responsibility of the owner.

Entry to the Cycle Track will be through the North side gate. You will need to access the venue from the opposite side to the main entrance via Alex Way.

If travelling from the M275 and the south:

Take the second slip on the M275 direction the International Ferryport (don't use the bus lane) and when the bus lane ends get into the extreme RH Lane and double back on yourself on the old road. Proceed north until the min RAB, to follow the road 'Out of Citv'. direction Mountbatten Centre and park is now on your left. Hedge and houses start on the left, bollards in road centre, then, as the road

starts to bend there is a large gap between the houses. Turn left here into Alex Way. Go past the Gymnastic / Tennis / Indoor Bowls / Cannon Health Buildings, the track entrance gate is right at the bottom by the wall.

If travelling from the North and A27:

Use the A3 (Northern Parade) and travel south into the city, as the road starts to bend to the right there are junctions on both sides of the road, between the houses, with a filter box in the centre of the road. Turn right into here into Alex Way. Go past the Gymnastic / Tennis / Indoor Bowls / Cannon Health Buildings, the track entrance gate is right at the bottom by the wall.
